

RBTT Bank sponsors their second Fun Walk

Edna Farro, President of the RBTT Bank announced on at a press conference on Thursday morning the advent of the RBTT Fun Walk 2006 to take place on Sunday, November 5. Present at the conference and representing IDFRE, who will organize and conduct the walk, were Patrick Werleman, director of IDFRE and Willy Willems, coordinator.

Representing RBTT along with Ms. Farro was Sales and Marketing Manager Robert Moons, who explained the prize systems for the fun walk, which encourages groups to participate for some excellent prizes. The main goal of the walk is to encourage healthy activity, but an additional incentive to participate is felt will also help motivate.

The six kilometer walk will begin in the parking lot at Arashi at 4:00 PM and the route will head south down the Malmokweg past Tierra Del Sol and back again. The cost for entry is five florins (\$2.85) per person, which entitles the entrant to a souvenir tee shirt of the walk, bottled water and juice, and fresh fruit afterwards. Groups desiring to compete for the prizes must be a minimum of six persons consisting of three male and three female members. IDEFRE organizers request that groups sign up by November 1, and that group heads meet at their offices by the Certified Mega Mall on November 3 at 7:30 PM to receive final instructions.

The prizes offered for groups are for the Liveliest Group and most Creative (in their uniforms) and for the youngest and oldest groups. Each member of the liveliest and most creative groups will receive seventy-five florins prize money. There are also fifty florin certificates for the oldest and youngest teams to cross the finish line first. The first five individual entrants over the finish line will receive awards of 125 florins, 100 florins, 75 florins, 50 florins and 25 florins in descending order. Willy Williams emphasized during the meeting that registration to compete for these prizes is required by November 1. General participation and registration can be on the afternoon of the walk, though for organizers to be sure to provide enough refreshments and tee shirts registration by the deadline is ideal. However, for those wishing to compete, registration by the deadline is required. Forms to register can be obtained at the IDEFRE office and all branches of the RBTT Bank.

The management of RBTT bank encourages all to participate in this last major IDEFRE event for the year, and hope to see everyone enjoying a healthful and fun afternoon on Sunday, November 1. For more information, contact Willy Willems at telephone # 582-4987.
